Re: MR TOMMY WAKEFIELD-SMITH

It is with pleasure that I hereby offer my personal reference for the above mentioned person.

Tommy commenced his employment on 1st June 2001 and was appointed to the position of Quantity Surveyor within the East Section of the A13 Thames Gateway DBFO Contract.

Appointed to the section of Woolwich Manor Way (sectional Contract value £16m) Tommy took responsibility of all applicable commercial issues. These included all monthly measures, internal reporting, subcontract procurement and accounts as well as updating the Cost to Completion, whilst reporting to myself and the Commercial Manager.

Tommy executed his duties with due diligence and integrity. He has shown that he can operate both as an individual as well as within a team, with the ability to address all levels of Management.

Although I will be sorry to see Tommy leave, I have no problem in offering my personal reference to any prospective employer, and wish Tommy all the best in both his personal and professional career.

Yours faithfully,
For and on behalf of
RMG (A13) Construction JV

P. Haslam
